### Forward Looking Statements

This press release contains forward-looking statements that are based on beliefs and assumptions and on information currently available. In some cases, you can identify forward-looking statements by the following words: "may," "will," "could," "would," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "project," "potential," "continue," "ongoing" or the negative of these terms or other comparable terminology, although not all forward-looking statements contain these words. These statements involve risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to be materially different from the information expressed or implied by these forward-looking statements. Forward-looking statements in this press release include, but are not limited to, statements regarding listing of the Company's common stock on NASDAQ, future events, goals, plans and projections regarding the Company's financial position, results of operations, market position, product development and business strategy. Such differences may be material. We cannot assure you that the forward-looking statements in this press release will prove to be accurate. These forward looking statements are subject to a number of risks and uncertainties, including, among others, our revenues, the concentration of our customers and the ability to retain our current customers; our ability to negotiate with our customers on favorable terms; our ability to maintain and grow our brand and reputation cost-effectively; the execution of our growth strategy; the impact of COVID-19 on our business and results of operations; our projected financial information, growth rate and market opportunity; the health of our industry, claim volumes, and market conditions; changes in the insurance and automotive collision industries, including the adoption of new technologies; global economic conditions and geopolitical events; competition in our market and our ability to retain and grow market share; our ability to develop, introduce and market new enhanced versions of our solutions and products; our sales and implementation cycles; the ability of our research and development efforts to create significant new revenue streams; changes in applicable laws or regulations; changes in international economic, political, social and governmental conditions and policies, including corruption risks in China and other countries; currency fluctuations; our reliance on third-party data, technology and intellectual property; our ability to protect our intellectual property; our ability to keep our data and information systems secure from data security breaches; our ability to acquire or invest in companies or pursue business partnerships, which may divert our management's attention or result in dilution to our stockholders, and we may be unable to integrate acquired businesses and technologies successfully or achieve the expected benefits of such acquisitions, investments or partnership; our ability to raise financing in the future and improve our capital structure; our success in retaining or recruiting, or changes required in, our officers, key employees or directors; our officers and directors allocating their time to other businesses and potentially having conflicts of interest with our business; our estimates regarding expenses, future revenue, capital requirements and needs for additional financing; our financial performance; our ability to expand or maintain its existing customer base; our ability to service our indebtedness; and other risks and uncertainties, including those included under the header "Risk Factors" in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021 filed with the Securities and Exchange Commission ("SEC"), which can be obtained, without charge, at the SEC's website ( [www.sec.gov](http://www.sec.gov) ), and in our other filings with the SEC. The forward-looking statements in this press release represent our views as of the date of this press release. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we have no current intention of doing so except to the extent required by applicable law. You should, therefore, not rely on these forward-looking statements as representing our views as of any date subsequent to the date of this press release.
